

H.C.B-A9020

VOLVO/MACK Rear Crankshaft Seal Installer

Drift Tool

- When installing the oil seal, you won't damage the oil seal. With this tool kit will make repair be more convenient and easier.
- Application: Volvo & Mack MP7 D11
- This will only work for 6" cranks. If you have a 7" crank you need HCB-B1610 instead.
- **VOLVO OEM no.ref.:** 88800561
